**WE DID IT!** The Town of Easton granted us the Special Exception permit required to operate TIS at Easton's Promise!

**WE HAVE WORK TO DO!** We must fund a year round operation at Easton's Promise providing respite and services to 12-15 people. To achieve this goal we will have to double our operating budget.

This funding will allow us to make the facility and staff investments required to increase our service level by more than seven times. We will provide about 4400 additional safe and secure 'bed nights' for individuals and families who would otherwise be on the street, in a car, or on a couch. Can you put yourself in their shoes?

**YOU CAN HELP!** Send a check to TIS at PO Box 2004 Easton MD 21601 (with a note letting us know if you are committed to helping us on a regular basis).

Or go to our website [www.talbotinterfaithshelter.org](http://www.talbotinterfaithshelter.org) and click on 'donate now'—this will take you to Mid Shore Community Foundation's page, where you can make a one-time or a recurring tax-deductible donation to TIS.

Or call Julie Lowe at 410-310-2316 and discuss other ways to get involved.

**WE NEED YOU!** The generous donor who made the purchase of Easton's Promise possible challenges us to raise the funds needed to maintain and operate this much needed year round facility. We need you to help us meet this challenge.

Sincerely and with much hope,
